

LANGUE CHAIR STEEL

by Rune Krøjgaard & Knut Bendik Humlevik

Langue Steel is the stackable version of our iconic Langue chair. Shape and simplicity are the basic elements of the Langue Series, creating a highly aesthetic and functional chair. The product is a chair suitable for everyday life, as well as an extraordinary piece of design.

The Langue Steel is capable of stacking up to nine chairs with a plastic seat, and up to six a regular upholstered seat in order to conserve space – the epitome of practicality.
